Bulky Item Service:

Single-family households subscribing to collection service receive up to two (2) bulky items picked up per calendar year at no cost. Multi-family residents (2 or more dwelling units) or mobile home park residents may receive bulky item pickup service at a cost. Please call your service provider for rates.

"Bulky items" means appliances, furniture, electronic waste, and other large, bulky items that are discarded by residential customers (excluding debris and materials from construction and demolition activities).

Household Hazardous Waste (HHW)

The County along with several jurisdictions offer free HHW collection events to residents. Businesses that qualify as Conditionally Exempt Small Quantity Generators (CESQGs) may participate in most programs below for a nominal fee. Appointments required.

Proper Disposal of Medical Waste & Sharps

Needles and Sharps

For a current list of needle collection centers in Ventura County, contact the Ventura County Environmental Health Division at **(805) 654-5007** or visit **www.vcrma.org/home-generated-sharps**

Safe Disposal Guidelines

- Place sharps into a container immediately after use.
- Do not attempt to break or recap the needle.
- Keep all sharps and disposal containers out of reach of children.
- Bring sharps in a biohazard rigid plastic sharps container to a collection center for proper and convenient disposal.

Controlled Substances and Unwanted Medication

To protect oceans and waterways, never dispose of medication in the trash or pour down the drain. Several locations throughout Ventura County accept unwanted medications free of charge.
