

The Water and Sanitation Department (WSD) is dedicated to delivering exceptional customer service to all its customers. We are proud to offer the convenience of automatic payment processing or autopay for water and/or wastewater utility payments. Autopay is easy to begin and provides many benefits to the customer.

Why sign up?

- **Accurate:** The exact amount of funds owed to the WSD will be deducted from your account on the automatic payment date shown on your bill.
- **Efficient:** Your payment is always on time!
- **Economical:** Enrollment with WSD is free, but some financial institutions charge for automatic payments so please check with your bank.

Autopay eliminates costs such as checks, postage, credit card convenience fees, and if you currently drive to our office to make payments you now save on fuel.

- **Transparent:** Bills will be mailed at least two weeks before the payment is deducted from their account. Payments will be reflected on your bank statements as, "W&S Co./Water & San Dept." followed by your eleven-digit account number.
