Per Division 4, Chapter 7, Article 3 of the Ventura County Ordinance Code, you are required to reuse, recycle or salvage recyclable materials generated by this project

Permit Requirements

This Form C - Reporting Form, MUST be completed prior to calling Building & Safety for a Final Inspection. Submit Form C to IWMD with legible letters and/or original receipts, including weights for all materials recycled, reused, salvaged or landfilled. Each entry on this form must correlate to a dated receipt (or written, signed statement required if receipts are not available) verifying recycling, reuse, salvage, or landfill disposal.

When submitting a Form C - Reporting Form, separate recycling receipts from trash receipts. Enter information from receipts into the Materials Table on Form C by material type. Enter trash weight as "Other - Explain." Complete all fillable sections of Form C, e-sign, then click "Submit Form". An email will populate. Please attach all receipts and documentation to this email before submitting. IWMD staff will respond within three (3) business days.

Document "REUSE/SALVAGE" with a signed statement, preferably on letterhead, including estimated weights of reused material.

For assistance with completing this form, please email PWA.IWMD-CD@ventura.org or call (805) 658-4321. Submit completed Form C and documentation to PWA.IWMD-CD@ventura.org

INSTRUCTIONS

Step 1: Indicate how each material was transported, by an Authorized Hauler, Contractor, Property Owner or Other. If "Other", specify in comments.

Step 2: Indicate the material destination for each material type generated. Any material with an asterisk must be recycled or reused. If "Other", please specify in comments.

Step 3: List the weight in tons for each material recycled or reused in column A and material landfilled/disposed column B.

Step 5: Add Boxes 1 and 2 for the total generation. Divide Box 1 by Box 3 and multiply by 100 to get the project diversion. Diversion must be at least 65%.
