DRAFT - Updated 4/13/21

COUNTY OF VENTURA

COUNTY EXECUTIVE OFFICE

FY 2021-2022

FIVE-YEAR

CAPITAL IMPROVEMENT PROGRAM

NON-GENERAL FUND

The following revisions were made:

1. Included project worksheets for both Camarillo and Oxnard Airports
2. Revised the summary page as follows:
    a. **Airports-Camarillo**
    Added:
        1. Page 11 - CUE Rehabilitate Willis Ave. East & North Post St. $67,333
        2. CUE Rehabilitate Airport Way & West Durley Ave. $78,495

    b. Airports-Oxnard
    Updated $ Amounts:
        1. EA/Design for RWY/TWY Pavement Strengthening: estimated cost from $1.2M to $1.5M; net Cost from $120K to $150K
        2. EA & Conceptual Design for Terminal Building: estimated cost from $375K to $500K; Net cost from $37,500 to $50K
        3. ARFF Truck: estimated cost from $750K to $1M; net cost from $50K to $100K
        4. Final Design for Terminal Building: estimated cost from $8M to $1M; net cost from $800K to $100K

COUNTY OF VENTURA
CAPITAL IMPROVEMENT PROJECTS (CIP) DEPARTMENT SUBMITTALS SUMMARY
FY 2021-2022 THROUGH FY 2025-2026
NON-GENERAL FUND PROJECTS

AGENCY	PROJECT TYPE		ESTIMATED COST	Estimated Total Net Cost	JUSTIFICATION
Airport - Camarillo	Infrastructure	EA for 2025 RWY/TWY Reconstruction with 25% Conceptual Design	$ 393,750	$ 22,000	Reconstruction/rehabilitation of airport pavements will extend the life of the asset and promote safety.
Airport - Camarillo	Infrastructure	Part 150 Noise Exposure Map Update with Expanded Public Outreach and Noise Measurements (combined for CMA & OXR)	$ 600,000	$ 33,000	Environmental protection/compliance.
Airport - Camarillo	Infrastructure	Final Design Grant for 2025 RWY/TWY Reconstruction	$ 4,067,151	$ 250,000	Reconstruction/rehabilitation of airport pavements will extend the life of the asset and promote safety.
Airport - Camarillo	Infrastructure	Runway 8-26 Reconstruction	$ 37,611,510	$ 3,400,000	Reconstruction/rehabilitation of airport pavements will extend the life of the asset and promote safety.
Airport - Camarillo	Infrastructure	Taxiway Connector Reconstruction	$ 3,060,000	$ 168,300	Reconstruction/rehabilitation of airport pavements will extend the life of the asset and promote safety.
Airport - Camarillo	Infrastructure	Design Grant for Rehabilitate Central Apron	$ 37,026	$ 2,036	Reconstruction/rehabilitation of airport pavements will extend the life of the asset and promote safety.
Airport - Camarillo	Infrastructure	Design Grant for PCC Rehabilitation Taxiways F, G1, Key Hangar Area and Main Apron	$ 395,046	$ 21,728	Reconstruction/rehabilitation of airport pavements will extend the life of the asset and promote safety.
Airport - Camarillo	Infrastructure	Design Grant for Rehabilitate Taxiways G, G2 & G3 & NE Taxilane	$ 352,770	$ 19,402	Reconstruction/rehabilitation of airport pavements will extend the life of the asset and promote safety.
Airport - Camarillo	Infrastructure	Design Grant for Rehabilitate East & West Aprons	$ 244,800	$ 13,464	Reconstruction/rehabilitation of airport pavements will extend the life of the asset and promote safety.
Airport - Camarillo	Correct Inadequacies	Safety Enhancement for Area Between TWY F and TWY G	$ 40,000	$ 40,000	A binding material had been sprayed on compacted gravel in order to eliminate debris being dispersed by aircraft prop and rotor wash. This material needs to be reapplied or an alternative needs to be identified to allow for a more effective and permanent resolution.
Airport - Camarillo	Infrastructure	CUE Rehabilitate Willis Ave. East & North Post St.	$ 67,333	$ 67,333	Rehabilitation of various Airport Pavements will correct inadequacies and extend the useful life of the pavement.
Airport - Camarillo	Infrastructure	CUE Rehabilitate Airport Way & West Durley Ave.	$ 78,495	$ 78,495	Rehabilitation of various Airport Pavements will correct inadequacies and extend the useful life of the pavement.
Airport - Camarillo	Infrastructure	Rehabilitate South Portion of Taxiway A	$ 250,000	$ 250,000	Pavement in area is deteriorating and may need to be rehabilitated until reconstruction project scheduled in 2025.
Airport - Oxnard	Infrastructure	REPAIRS TO FUEL FARM - TANK 4	$ 50,000	$ 50,000	This project ensures compliance with State of California regulations for underground fuel tanks.
Airport - Oxnard	Infrastructure	Fencing - Property East of Ventura Rd.	$ 35,000	$ 35,000	Fencing the property will prevent unauthorized access and use by people and dumping in an airport runway protection zone.
Airport - Oxnard	Infrastructure	Reconstruct Runway 7-25	$ 13,725,976	$ 1,222,598	Reconstruction/rehabilitation of airport pavements will extend the life of the asset and promote safety.
Airport - Oxnard	Infrastructure	Reconstruct Connector Taxiways A, B, C, D, E	$ 3,821,680	$ 382,168	Reconstruction/rehabilitation of airport pavements will extend the life of the asset and promote safety.
Airport - Oxnard	Infrastructure	Reconstruct Taxiway F	$ 9,318,420	$ 931,842	Reconstruction/rehabilitation of airport pavements will extend the life of the asset and promote safety.

COUNTY OF VENTURA
CAPITAL IMPROVEMENT PROJECTS (CIP) DEPARTMENT SUBMITTALS SUMMARY
FY 2021-2022 THROUGH FY 2025-2026
NON-GENERAL FUND PROJECTS

AGENCY	PROJECT TYPE		ESTIMATED COST	Estimated Total Net Cost	JUSTIFICATION
Airport - Oxnard	Infrastructure	EA/Design for RWY/TWY Pavement Strengthening	$ 1,500,000	$ 150,000	Pavement strengthening to provide infrastructure support for FAA Design Group III commercial and private aircraft planning to utilize the airport.
Airport - Oxnard	Infrastructure	Design for Terminal (expanded) Ramp Reconstruction	$ 500,000	$ 50,000	Reconstruction/rehabilitation of airport pavements will extend the life of the asset and promote safety.
Airport - Oxnard	Infrastructure	Reconstruct Terminal (expanded) Ramp	$ 5,500,000	$ 550,000	Reconstruction/rehabilitation of airport pavements will extend the life of the asset and promote safety.
Airport - Oxnard	Infrastructure	RWY & TWY Pavement Strengthening Reconstruction	$ 11,000,000	$ 1,100,000	Pavement strengthening to provide infrastructure support for FAA Design Group III commercial and private aircraft planning to utilize the airport.
Airport - Oxnard	Infrastructure	EA & Conceptual Design for Terminal Building	$ 500,000	$ 50,000	Terminal building required to expand to support current commercial service needs.
Airport - Oxnard	Infrastructure	ARFF Truck	$ 1,000,000	$ 100,000	Oxnard Airport as a Part 139 Commercial Service airport is required to maintain/ensure appropriate fire fighting equipment is available for response to aircraft incidents.
Airport - Oxnard	Infrastructure	Final Design for Terminal Building	$ 1,000,000	$ 100,000	Facilities need to be updated to meet current federal standards related to commercial service (TSA) and to better serve the community.
Fire Department	New Construction	Thousand Oaks, Station 34 Replacement	$ 11,850,000	$ 9,150,000	Replace existing antiquated fire station.
Fire Department	New Construction	Design & Construction of Admin/Training Facility at Camarillo Airport	$ 32,175,000	$ 22,700,000	Construction of a new and improved training and administration facility as there is currently no professional site within a 75-mile radius
Fire Department	New Construction	Fire Station 29 Replacement - Santa Paula	$ 13,863,000	$ 13,863,000	Replace existing antiquated fire station.
Fire Department	Building Improvements	Fire Station 26 Remodel- Santa Paula	$ 3,400,000	$ 3,400,000	Remodel existing antiquated fire station and expand from 3,000 SF to 4,600 SF
Fire Department	Building Improvements	Fire Communications Back-Up Dispatch Center	$ 6,350,000	$ 6,350,000	Existing facility does not meet operational needs
Fire Department	Building Improvements	Fire Station 28 Apparatus Bay Remodel - Piru	$ 1,400,000	$ 1,400,000	Current structure cannot fit the new engine height in apparatus bay.
Fire Department	Building Improvements	Fire Station 45 Apparatus Bay Remodel - Simi	$ 1,400,000	$ 1,400,000	Current structure cannot fit the new engine height in apparatus bay.
Fire Department	New Construction	Fire Station 31 Replacement on site - Thousand Oaks	$ 11,300,000	$ 11,300,000	Replace existing antiquated fire station.
Fire Department	New Construction	Fire Station 33 Replacement - Lake Sherwood, T.O.	$ 8,800,000	$ 8,800,000	Replace existing antiquated fire station.
Fire Department	New Construction	Fire Station 48 (new site) College Park, Moorpark	$ 8,800,000	$ 8,800,000	As surrounding area develops, an additional station may be needed to meet emergency response demands.
General Services Agency	Correct Inadequacies	Saticoy Regional Golf Course Facility Replacement Project	$ 2,242,000	$ 2,242,000	Current facility is antiquated and in need of replacement.
General Services Agency	New Construction	Replacement of Steckel Maintenance Bldg	$ 1,469,000	$ -	Replacement of building due to Thomas Fire. Replacement to be funded with insurance proceeds.

COUNTY OF VENTURA
CAPITAL IMPROVEMENT PROJECTS (CIP) DEPARTMENT SUBMITTALS SUMMARY
FY 2021-2022 THROUGH FY 2025-2026
NON-GENERAL FUND PROJECTS

AGENCY	PROJECT TYPE		ESTIMATED COST	Estimated Total Net Cost	JUSTIFICATION
General Services Agency	Building Improvements	Saticoy Carwash Canopy	$ 105,000	$ 105,000	Shaded area would mitigate relief and protection issues for workers as well as the need for additional handwork due to premature drying due to elemental exposure.
General Services Agency	Building Improvements	Automated Car Wash at the Saticoy Yard	$ 424,500	$ 424,500	Replacement of manual car wash.
General Services Agency	Building Improvements	Saticoy Walkway Canopy	$ 175,000	$ 175,000	Covered walkway to protect customers and employees from the elements and mitigate safety issues.
Harbor	Correct Inadequacies	Peninsula Revetment	$ 2,500,000	$ 2,500,000	Exisitng revetment is failing and in need of replacement.
Harbor	Correct Inadequacies	Parking Lot Rehab-Oxnard Areas	$ 2,500,000	$ 2,500,000	Rehabilitate existing parking lots and complete lighting replacement.
Harbor	Correct Inadequacies	Kiddie Beach Surge Wall	$ 1,600,000	$ 1,600,000	Repair/rebuild surge wall that is showing signs of wear.
Harbor	New Equipment	Fire Boat Replacement	$ 900,000	$ 450,000	Current boat is 17 years old, 7 years past its useful life. Replacement of asset is imminent.
Harbor	Correct Inadequacies	Bahia Revetment	$ 1,500,000	$ 1,500,000	Revetment is aged and in need of repair.
Harbor	New Construction	Harbor Patrol Headquarters Replacement	$ 10,300,000	$ 10,300,000	Current facility does not properly facilitate staff and operations including Harbor Patrol.
Harbor	Correct Inadequacies	Peninsula Park Revetment	$ 1,000,000	$ 1,000,000	Revetment is aged and in need of repair.
Harbor	Correct Inadequacies	Peninsula Park Restroom Replacement	$ 1,000,000	$ 1,000,000	Improve current restroom inadequacies
Harbor	New Construction	Santa Barbara Island Park	$ 1,575,000	$ 1,575,000	Improved amenities at the Channel Islands Harbor
Health Care Agency/VCMC	Building Improvements	Fainer Remodel Levels	$ 7,207,000	$ 7,207,000	Improvements needed to utilize the asset for operational needs
Health Care Agency/VCMC	Building Improvements	Building 305 & 306 RACS	$ 650,000	$ 650,000	Improvements needed to facilitate program needs
Health Care Agency/VCMC	Building Improvements	Observation Unit	$ 650,000	$ 650,000	Remodel 3rd floor Pediatrics Medical/surgical unit in Building 305 to Outpatient Observation unit
Health Care Agency/VCMC	Correct Inadequacies	Fainer Roof Helipad	$ 5,200,000	$ 5,200,000	Expand the helipad to accommodate a larger helicopter for trauma/emergency services
Health Care Agency/VCMC	Correct Inadequacies	Pediatric Wing (Fainer 2nd floor)	$ 14,838,750	$ 14,838,750	Improvements needed to facilitate program needs
Health Care Agency/VCMC	Correct Inadequacies	Fainer Way finding	$ 240,000	$ 240,000	Improvements needed to facilitate program needs
Health Care Agency/VCMC	Correct Inadequacies	Cardiac Monitoring	$ 437,864	$ 437,864	Hardware upgrades to increase cardiac monitoring capabilities

Library Services Dept.	Building Improvements	HVAC System - E.P. Foster Library	$ 1,500,000	$ 1,000,000	Improvement needed at the E.P. Foster library.

COUNTY OF VENTURA - CAPITAL IMPROVEMENT PROJECT REQUEST (1 OF 4)

DEPARTMENT/AGENCY Department of Airports-Camarillo **ORG #** E300

PROJECT TITLE Rehabilitate/Reconstruct Airport Pavements

PROJECT COORDINATOR Erin Powers **PRIORITY** 1 OF 4

Purpose Correct Inadequacies **Benefit** Safety

COUNTY of VENTURA

DESCRIPTION

Multi year projects to rehabilitate or reconstruct airport pavement, including asphalt and PCC, in several areas on the airport. The FY 2020-2021 EA for 2025 RWY/TWY Reconstruction project will include 25% conceptual design. Additionally, FY 2020-2021 project to Rehabilitate South Portion of Taxiway A includes pavement removal, replacement and striping. Future projects include pavement related environmental studies, design and reconstruction/rehabilitation of airport pavements and estimated costs are included in the table below.

Camarillo: Rehabilitate/Reconstruct Airport Pavements Recap to Summary	**Cost**
2021-22 EA for 2025 RWY/TWY Reconstruction with 25% Conceptual Design	$ 393,750
2023-24 Final Design Grant for 2025 RWY/TWY Reconstruction	$ 4,067,151
2025-26 Runway 8-26 Reconstruction	$ 37,611,510
2025-26 Taxiway Connector Reconstruction	$ 3,060,000
2021-22 Rehabilitate South Portion of Taxiway A	$ 250,000
2026-27 Design Grant for Rehabilitate Central Apron	$ 37,026
2026-27 Design Grant for PCC Rehabilitation Taxiways F, G1, Key Hangar Area & Main Apron	$ 395,046
2026-27 Design Grant for Rehabilitate Taxiways G, G2 & G3 & NE Taxilane	$ 352,770
2026-27 Design Grant for Rehabilitate East & West Aprons	$ 244,800
Total Estimated Project Cost	**$ 46,412,053**

JUSTIFICATION

Rehabilitation/Reconstruction of various Airport Pavements will correct inadequacies and enhance user safety.

IMPACT ON OPERATING BUDGET

Sufficient appropriations are anticipated to be available in the capital budget to cover the net costs.

PROJECT TITLE Safety Enhancement for Area Between TWY F and TWY G

PROJECT COORDINATOR Erin Powers **PRIORITY** 2 OF 4

Purpose Correct Inadequacies **Benefit** Safety

DESCRIPTION

A binding material had been sprayed on compacted gravel in order to eliminate debris being dispersed by aircraft prop and rotor wash. This material needs to be reapplied or an alternative needs to be identified to allow for a more effective and permanent resolution.

JUSTIFICATION

Project will correct inadequacies and enhance safety by reducing FOD on nearby taxiways.

IMPACT ON OPERATING BUDGET

Sufficient appropriations are anticipated to be available in the capital budget to cover the net costs.

PROJECT TITLE Rehabilitation of CUE Streets

PROJECT COORDINATOR Erin Powers

PRIORITY 4 of 4

Purpose Correct Inadequacies

Benefit Extending useful life

DESCRIPTION

Rehabilitation of CUE streets includes crack seal, slurry or seal coat and restriping. The following projects are currently programmed for 21-22:
2021-22 CUE Rehabilitate Willis Ave. East & North Post Street $67,333
20221-22 Rehabilitate Airport Way & West Durely Ave. $78,495

JUSTIFICATION

Rehabilitation of various Airport Pavements will correct inadequacies and extend the useful life of the pavement.

IMPACT ON OPERATING BUDGET

Sufficient appropriations are anticipated to be available in the CUE budget to cover the net costs.

PROJECT TITLE Rehabilitate/Reconstruct Airport Pavements

PROJECT COORDINATOR Erin Powers **PRIORITY** 1 OF 5

Purpose Correct Inadequacies **Benefit** Safety

COUNTY of VENTURA

DESCRIPTION

Multi year projects to rehabilitate airport pavement, including asphalt and PCC, in several areas on the airport. The FY 2021-2022 Runway, Connector Taxiway and Taxiway F reconstruction projects will include pavement pulverization, lime treatment, paving, striping and airfield sign and lighting improvements. Future projects include pavement related environmental studies, design and reconstruction/rehabilitation of airport pavements and estimated costs are included in the table below.

Oxnard: Rehabilitate/Reconstruct Airport Pavements Recap to Summary	Amount Per Summary	
2021-22 Taxiway F Reconstruction	$ 9,318,420	
2021-22 Reconstruct Connector Taxiways A, B, C, D, E	$ 3,821,680	
2021-22 Reconstruct Runway 7-25	$ 13,725,976	2
2022-23 EA/Design for RWY/TWY Pavement Strengthening	$ 1,500,000	
2023-24 Reconstruct Terminal (expanded) Ramp	$ 5,500,000	
2024-25 Runway and Taxiway Strengthening Reconstruction	$ 11,000,000	
2022-23 Design for Terminal (expanded) Ramp Reconstruction	$ 500,000	
Total Project Cost	$ 45,366,076	

JUSTIFICATION

Rehabilitation/Reconstruction of various Airport Pavements will correct inadequacies and enhance user safety.

IMPACT ON OPERATING BUDGET

Sufficient appropriations are anticipated to be available in the capital budget to cover the net costs.

DEPARTMENT/AGENCY Fire **ORG #** 2731

PROJECT TITLE Regional Training Facility - Camarillo

PROJECT COORDINATOR Tom Kasper **PRIORITY** 2 OF 10

Purpose Other (specify in description) **Benefit** Safety

DESCRIPTION

Regional Training Facility at Camarillo Airport site. Project includes the following: 1. Class A - Burn Building with live-fire designed to represent residential fires; 2. Muti-purpose Class B - Burn Building with propane fired fire props . The muti-purpose building designed to represent apartments, commercial retail, warehouse and office space. 3. Renovation of existing facilities including an apparatus bay, drill pad, auto extrication pad, class rooms, storage facilities, fuel island, and warehouse support facility. The land was purchased in November 2017.

JUSTIFICATION

Current training site has some training props; however, no professional site is available in the County nor within a 75-mile radius. The "Burn Buildings" will provide controlled live-fire training environment and will provide greater safety for Firefighters and trainees. Other props and building improvements will provide enhanced training and support to these activities.

IMPACT ON OPERATING BUDGET

There will some impact on the operating budget for operating and maintenance costs. The Fire Department will attempt to fully offset the costs by charging for training provided to other departments and organizations.

PROJECT TITLE Fire Communications Back-Up Dispatch Center

PROJECT COORDINATOR Tom Kasper **PRIORITY** 5 OF 10

Purpose Correct Inadequacies **Benefit** Safety

COUNTY of VENTURA

DESCRIPTION

The current fire communications back-up dispatch center (BDC) is located in Moorpark. The facility no longer meets VCFD's operational needs and the equipment needs to be replaced. This project would relocate the BDC facility to Simi Valley, by remodeling an existing facility with upgraded equipment and improved communications capability.

JUSTIFICATION

Existing facility does not meet operational requirements.

IMPACT ON OPERATING BUDGET

Impact on operating budget should be minimal.

DEPARTMENT/AGENCY Fire **ORG #** 2731

PROJECT TITLE Fire Station 48 (new site) - College Park, Moorpark

PROJECT COORDINATOR Tom Kasper **PRIORITY** 10 OF 10

Purpose Expand Program **Benefit** Safety

DESCRIPTION
Construct a new, additional 8,500-square-foot fire station. The station is being considered as a result of development and increased emergency calls in the area.

JUSTIFICATION
New development may cause the need for a new fire station in order to meet emergency response demands. The developer will provide a graded site with utilities, traffic pre-exemption, and a heli-spot. Negotiations may take place with a developer regarding the developer paying for all or part of the station; otherwise, Facility Fee Trust Fund monies will be used to offset some of the construction costs.

IMPACT ON OPERATING BUDGET
The new station will have a significant impact on the Fire Department's operating budget. Operational costs in Fiscal Year 2026-27 will entail staffing, an engine, operations, and maintenance. These costs will eventually be offset by the incremental property tax revenue to the Fire Department.

Purpose **Benefit**

DESCRIPTION

New Club House that includes a commercial kitchen with refrigerator, freezer, range with flat grill, deep fryer, dishwasher, and other requirements of environmental Health Department. Bar services to consist of two beer taps and cooler storage for beer and wine. Bar services intention to use kitchen appliances for cleaning of utensils and glassware; and new Cart Barn with charging stations; and new maintenance storage building with floor lift for lawn mowers and of revised parking lot.

JUSTIFICATION

The current facility is inadequate. The original clubhouse was built in the 1920's and was last renovated in 1964. Replacement is required to comply with code requirements, operational efficiencies, and desired amenities to meet the requirements of public use.

ADDITIONAL FTEs/VEHICLES	
FTEs	
VEHICLES	

IMPACT ON OPERATING BUDGET

The new clubhouse will be funded through an equal use of retained earnings and loan proceeds. The unrestricted net position is sufficient to cover the entire cost of the project, but this would deplete cash and not allow for sufficient operating capital in the short term. Debt service will be offset by lease revenue until extinguished.

ESTIMATED PROJECT COSTS

PROJECT TITLE Replacement of Steckel Maintenance Bldg

PROJECT COORDINATOR Lubin **PRIORITY** 2 of 5

Purpose **Benefit**

DESCRIPTION
The 1,500 sqare foot ranger house and garage that was being used as an office and maintenance buidling burned down during the Thomas Fire. The buiding will be replaced with a new maintenance building and yard facility to support park operations.

JUSTIFICATION
Building needs to be replaced to support ongoing parks operations.

IMPACT ON OPERATING BUDGET
The replacement maintenance bldg will be funded with insurance proceeds.

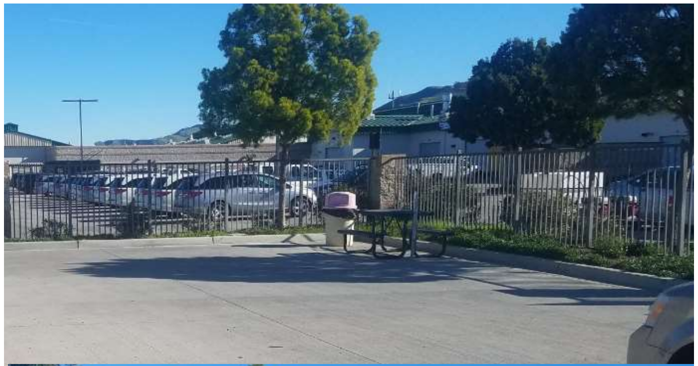
COUNTY OF VENTURA - CAPITAL IMPROVEMENT PROJECT REQUEST (3 of 5)

DEPARTMENT/AGENCY GSA Fleet/HE **ORG #** 4571/4551

PROJECT TITLE Saticoy Carwash Canopy

PROJECT COORDINATOR Jorge Bonilla **PRIORITY** 3 of 5

Purpose **Benefit**



DESCRIPTION

Install approximately 50 feet of overhead coverage to provide shade for workers out in the sun as well as to protect the finish on newly washed vehicles from hard water drying out in direct sunlight. Additionally, install a central vacuum and hoses for cleaning the interoir of vehicles. Currently, rolling Shop-Vac canister vacuums are used. These portable vacuums are replaced 2-3 times a year due to the amount of use they receive.

JUSTIFICATION

Forty to fifty vehicles are processed through the Saticoy carwash each week by one of Fleet's garage attendants along with 3-10 Probation Agency inmates on the Work Release program. There currently is no location at the carwash where there is shade to offer relief or protection from time spent working in direct sunlight. Additionally, vehicles brought to this area from the carwash for hand-drying and interior cleaning tend to dry in the sun before all water can be removed. This causes spotting and additional hand work to remove the water spots. A shaded area would mitigate both of these issues.

IMPACT ON OPERATING BUDGET

Car wash capital and operating budget will be funded through user fees through rates. There may be some potential of revenue generation from non-County vehicles.

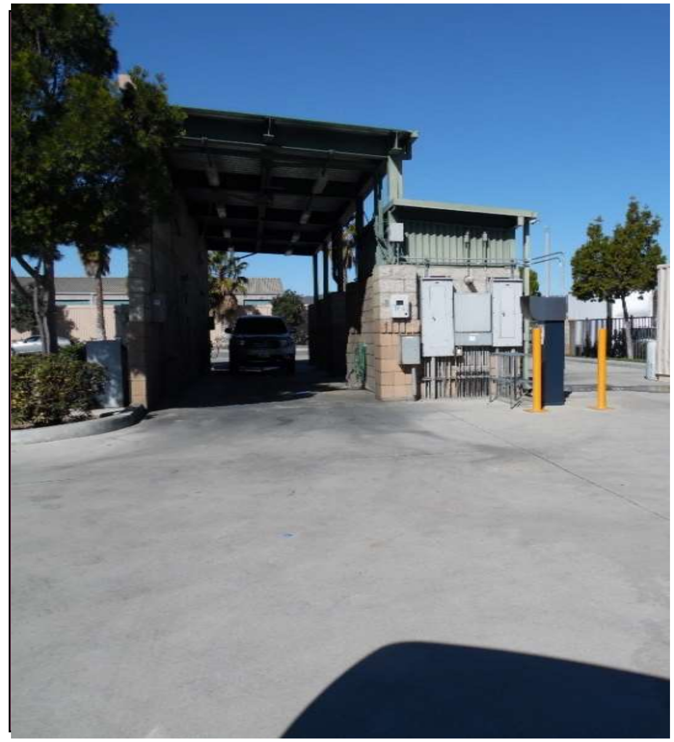
DEPARTMENT/AGENCY GSA Fleet/HE **ORG #** 4571/4551

PROJECT TITLE Automated Car Wash Ugrade - Saticoy

PROJECT COORDINATOR Christopher Melton **PRIORITY** 4 of 5

Purpose **Benefit**



DESCRIPTION

Install a fully automated brushless car wash next to the fuel island at the Saticoy site that is similar to the brushless system at the Government Center Service Building. The current car wash requires users to wash and clean vehicles using a pressure-washer wand and brush. The wash itself is unsafe as there is little room to work around the vehicles to be able to wash and dry them efficiently. Our customers depend on this service of their County vehicles.

JUSTIFICATION

The current car wash is manual and provides for very little room to maneuver around the vehicle being washed. A brushless car wash would allow customers to properly maintain the appearance of their vehicles. All vehicles leaving the shops after repairs are washed before customers return to pick them up. Also, surplus vehicles sales are critical to funding replacement vehicles and this car wash would help in our endeavor to maximize the return at sale. Most of the personnel utilized at the current car wash come from Work Release and Work Furlough.

IMPACT ON OPERATING BUDGET

Car wash capital and operating budget will be funded through user fees through rates. There may be some potential of revenue generation from non-County vehicles.

DEPARTMENT/AGENCY GSA Fleet/HE **ORG #** 4571/4551

PROJECT TITLE Saticoy Walkway Canopy

PROJECT COORDINATOR Christopher Melton **PRIORITY** 5 of 5

Purpose **Benefit**

DESCRIPTION

Install an overhanging canopy over the south side of the shop structure (top photo) similar to the overhanging canopy outside of the employee breakroom (bottom photo).

JUSTIFICATION

Currently there is no covered walkway from the Administraton building to the shops. During rains there is no means of getting to the shops from the admin office or vise versa with out getting wet. It potentially could be a safety hazard for customers or employees when trying to reach either area.

IMPACT ON OPERATING BUDGET

There would be no impact on the operating budget. This would affect available cash balance and/or retained earnings.

PROJECT TITLE PENINSULA REVETMENT

PROJECT COORDINATOR SUZY WATKINS **PRIORITY** 1 OF 9

Purpose Correct Inadequacies **Benefit** Extending useful life

DESCRIPTION

Critical project to repair riprap areas at the end of the peninsula in coordination with construction of replacement hotel and marina. If completed from the landside during construction of the hotel, the cost is significantly less. STATUS: Engineering complete, awaiting permits, prior to bid. Construction anticipated to begin FY21-22.

JUSTIFICATION

Revetment is failing and in need of replacement. Continued failure could impact landside structures as well as marina operations.

IMPACT ON OPERATING BUDGET

Will be paid from unrestricted net assets.

PROJECT TITLE PARKING LOT REHAB - OXNARD AREAS

PROJECT COORDINATOR SUZY WATKINS **PRIORITY** 2 OF 9

Purpose Correct Inadequacies **Benefit** Extending useful life

DESCRIPTION

This project is to correct inadequacies due to the City of Oxnard lack of maintenance of the parking lots and parking lot lighting. This area was previously the responsibility of the City of Oxnard for more than 50 years. STATUS: Waiting on engineering.

JUSTIFICATION

Current state of the parking lots and lighting has deteriorated beyond simple repairs and requires extensive improvements. Project would rehabilitate existing parking lots, including the replacement of all lighting and repair of improperly installed ADA access.

IMPACT ON OPERATING BUDGET

Will be paid from unrestricted net assets.

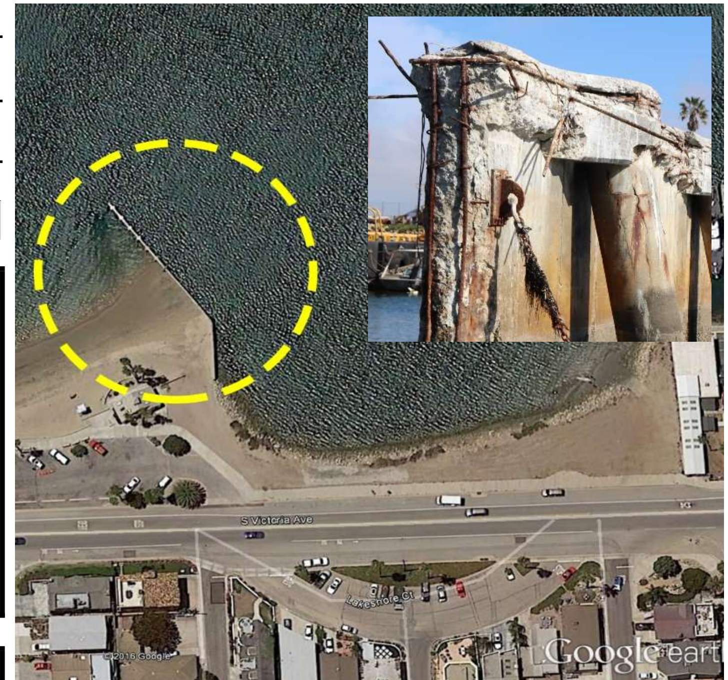
DEPARTMENT/AGENCY HARBOR **ORG #** 5100

PROJECT TITLE KIDDIE BEACH SURGE WALL RECONSTRUCTION

PROJECT COORDINATOR SUZY WATKINS **PRIORITY** 3 OF 9

Purpose Correct Inadequacies **Benefit** Extending useful life



DESCRIPTION

Rebuild surge wall. Current structure continues to deteriorate. STATUS: Engineering complete, pending permits.

JUSTIFICATION

The first surge wall at the Harbor entrance, just north/northwest of "Kiddie Beach" shows evidence of age and wear, including cracked concrete, expanded and rusting rebar and possible leaning. This wall, along with Kiddie Beach, absorbs wave energy as it enters the Harbor, protecting boats and docks from damage. Engineering analysis provided 3 alternatives for repair/replacement. The selected option minimized impact on public beach use and is the lowest cost alternative.

IMPACT ON OPERATING BUDGET

One-time construction cost. No on-going impact to operating budget. Will be paid from unrestricted net assets.

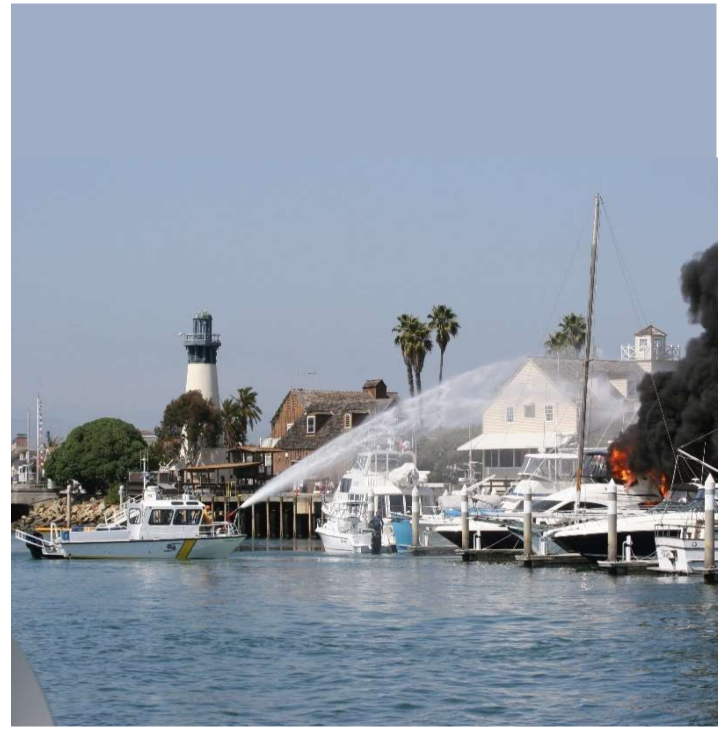
PROJECT TITLE FIRE BOAT REPLACEMENT

PROJECT COORDINATOR SUZY WATKINS **PRIORITY** 4 OF 9

Purpose Other (specify in description) **Benefit** Safety



DESCRIPTION

This project is a fire boat replacement designed to continue the superior fire safety efforts in and around the Channel Islands Harbor. The boat is included in an agreement with the Fire Protection District regarding firefighting equipment and training in Channel Islands Harbor.

JUSTIFICATION

The existing fire boat was purchased in February 2002. Through careful use, dedicated inspections, and excellent maintenance, we have been able extend the use of this asset beyond the normal 10 year useful life. By FY2021-22, the asset will have been in use for over 19 years. To continue providing reliable public safety, the fire boat needs to be replaced.

IMPACT ON OPERATING BUDGET

One-time costs include the acquisition and preparation of the fire boat for use. Once the project is completed, operating costs are not anticipated to change. The one-time cost for the boat acquisition and preparation is subject to the continuation of an agreement with the Fire Protection District to split the cost.

DEPARTMENT/AGENCY HARBOR **ORG #** 5100

PROJECT TITLE HARBOR PATROL HEADQUARTERS REPLACEMENT

PROJECT COORDINATOR SUZY WATKINS **PRIORITY** 6 OF 9

Purpose Correct Inadequacies **Benefit** Extending useful life

DESCRIPTION

This project is a building replacement to accommodate staff and storage, and correct work environment inadequacies. Originally planned as a remodel and expansion of existing space, a cost evaluation indicated that a replacement of the existing building would have a similar cost, or lower cost, than a renovation. STATUS: Preliminary architectural drawings completed. NOID approved by California Coastal Commission in 2013. Design Development completed in FY17/18. Building permit review completed in 2018. Bid process initiated in FY17/18. Project delayed to identify funding. Currently updating plans to comply with new building code. Construction scheduled to begin in FY21/22, with completion in FY22/23.

JUSTIFICATION

Old quarters were not designed as offices, and lacked needed office and storage space, as well as earthquake safety, heat and accessible amenities. Staff was in 2 buildings (one a former carport), separated by a courtyard, and a temporary trailer provided conference room space. Patrol locker rooms and shower space had not been updated in over 30 years. No building improvements had been done since the department was created in 1996. Both buildings have inadequate wiring, insulation, ventilation and heating systems and no air conditioning. Project would replace existing structures. Administration and Patrol staff are in temporary trailers and must use outside port-a-potties. There is very limited capacity to meet with the public or lessees. There is no medical triage area, no locker rooms and no shower facilities. The trailer has one small storage area that is also used as a locker room that must be shared by male and female officers. The ability to effectively monitor the Harbor entrance and provide rescue services has been severely impacted due to being in temporary trailers.

IMPACT ON OPERATING BUDGET

Debt service estimated at $750,000 each year for a total of 15 years. Annual costs could be reduced by extending term of loan.

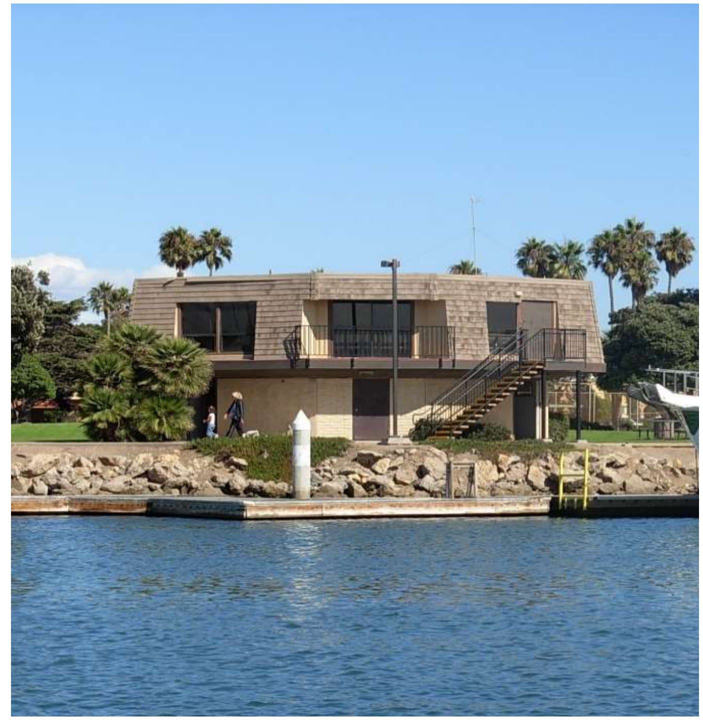
PROJECT TITLE PENINSULA PARK RESTROOM REPLACEMENT

PROJECT COORDINATOR SUZY WATKINS **PRIORITY** 8 OF 9

Purpose Correct Inadequacies **Benefit** Public Service



DESCRIPTION

This facility provides public restrooms for Peninsula Park visitors as well as restrooms and showers to serve the adjacent guest dock. The project includes replacement of the facility and relocation to improve waterfront access and views. STATUS: This project is on hold pending resolution of funding and maintenance discussions with the City of Oxnard. Expired agreement included a 50% match from the City of Oxnard.

JUSTIFICATION

Completion of this project will replace the current facilities which have far exceeded their useful life, are grossly inadequate, and periodically closed. The project will also provide ADA accessible facilities.

IMPACT ON OPERATING BUDGET

Repair and maintenance costs of the facility would be expected to decrease in the short run with a new facility, and would have minimal impact on operating budget over the life of the facility.

PROJECT TITLE SANTA BARBARA ISLAND PARK

PROJECT COORDINATOR SUZY WATKINS **PRIORITY** 9 OF 9

Purpose Expand Program **Benefit** Public Service

DESCRIPTION

A new waterfront park will be constructed in an area which is currently unimproved. The new park will provide a pedestrian connection with the Mandalay Bay neighborhood, as well as elevated viewing areas

JUSTIFICATION

In September 2008, the Board of Supervisors approved a "public amenities" plan for the Harbor area, which included additional promenades, landscape areas, park improvements and park expansions. This plan was/is intended to be implemented as parcels redevelop or, in the case of public improvements, when funds are available.

IMPACT ON OPERATING BUDGET

One-time cost of improvements. Cost estimate is preliminary based on conceptual design. $75k per year estimated operating costs.

COUNTY OF VENTURA - CAPITAL IMPROVEMENT PROJECT REQUEST (1 of 3)

DEPARTMENT/AGENCY Library **ORG #** 3610

PROJECT TITLE Port Hueneme Ray D. Prueter Library Upgrades

PROJECT COORDINATOR Nancy Schram **PRIORITY** 1 of 3

Purpose Correct Inadequacies **Benefit** Correct Inadequacies

COUNTY of VENTURA

DESCRIPTION

The Port Hueneme Ray D. Prueter Library shares a common wall with the City of Port Hueneme Community Center. The city has expressed interest in embarking on a construction project to rennovate the Community Center, and there are opportunities to correct inadequacies of an aging building at the library at the same time. Currently inadequate are mechanical systems such as lighting and HVAC, as well as a leaking roof. Additionally, the rennovation work being done at the Community Center may require the library to relocate the current Library HVAC unit that sits on top of the Community Center building.

JUSTIFICATION

The Port Hueneme Library is in great need of rennovation, and being brought up to current safety, building and ADA codes. Additionally, certain exterior enhancements and signage are desired and should match the City's Community Center next door when it is rennovated. Library operations would also benefit from upgrades to interior paint, flooring, and space plans. As long as the library is used as a library, the county library system owns the deed/building.

IMPACT ON OPERATING BUDGET

Cost estimates range depending on the required and desired scope of work. The are estimated to be at least $300,000 to $2,000,000. Some anticipated use of the Library's Assigned Education Fund for this project on this county owned library building.

COUNTY OF VENTURA - CAPITAL IMPROVEMENT PROJECT REQUEST (2 of 3)

DEPARTMENT/AGENCY Library **ORG #** 3610

PROJECT TITLE Ojai Library Rennovation

PROJECT COORDINATOR Nancy Schram **PRIORITY** 2 of 3

Purpose Correct Inadequacies **Benefit** Correct Inadequacies

COUNTY of VENTURA

DESCRIPTION

The Ojai Library is in great need of renovation and repair. Included in the scope of work would be flooring, lighting, shelving removal, new roof, and interior painting. There is also a need to bring this aging library builiding up to current ADA, safetly and building codes to ensure accessbility and safety. Repair of roof leaks and other building inadequacies have been done patchwork basis in the past.

JUSTIFICATION

The library needs renovating for safety and accessibility, but also for optimum operations for a modern day public library.

IMPACT ON OPERATING BUDGET

Exact cost estimates will depend on the scope of work and are not known at this time. In 2020, the Ventura County Library received two significant bequests that are held in trust and that would support this project, and should be used as soon as possible so they hold the most value. Together, these donated funds total approximately $1.7M. Estimated costs are approximately $2.5-3M, with the Library's Assigned Education Fund potentially leveraged to

DEPARTMENT/AGENCY Library **ORG #** 3610

PROJECT TITLE HVAC System - E.P. Fostser Library

PROJECT COORDINATOR Nancy Schram **PRIORITY** 3 of 3

Purpose Correct Inadequacies **Benefit** Public Service

COUNTY of VENTURA

DESCRIPTION

To install HVAC at the E.P. Foster Library in Ventura so the facility can serve as a designated cooling center in heat wave emergencies.

JUSTIFICATION

Our libraries are often the only refuge during heat waves for people who are experiencing homelessness or who do not have AC in their homes. Other facilities, such as homeless shelfters, are filled to capacity, or people lack transportation to get there, or people do not qualify to be accommodated there. The public library is often the only place they have to go where they can be for periods at a time without purchasing food/drink or be considered loitering. Dangerous heat levels and nowhere for people to get cool can have devasting consequences. There have also been impacts to service in past years when the library had

IMPACT ON OPERATING BUDGET

Bids for installing an HVAC system at the library were acquired over 5 years ago. At that time, they were approximately $1M and were cost-prohibitive for the library to proceed with this much needed project. Due to increased costs over the past 5 years, it's estimated that this project has one-time costs of at least $1.5M at this time. The county library leases the Foster Library facility from the City of Ventura, and is about midway through a 99 year lease.
