The comparison shall be made as of December 31st of each year and shall be effective each January thereafter. The first CPI adjustment shall as of December 31, 1999, effective January 1, 2000.

Example: Hauler qualifies for a discount rate of \$32.25 per ton and the hauler disposes 8,000 tons from the CITY to the LANDFILL.

(\$32.25-\$29.00) x 8,000 tons = \$26,000.00

Example: Hauler qualifies for a discount rate of \$34.75 per ton and the hauler

disposes 7,500 tons from the CITY to the LANDFILL (\$34.75-\$29.00) x 7,500 tons = \$43,125.00

The monthly compensation value (the difference between the \$29.00 rate and the hauler discounted rate) is \$2.00 per ton (\$31.00-\$29.00). As a result of the minimum monthly compensation of \$2.50 per ton, the CITY will be compensated as follows: \$2.50/ton x 8,000 tons = \$20,000.00

AMENDMENT NO. 2 LOCAL STREET ACCESS AGREEMENT WASTE MANAGEMENT OF CALIFORNIA

THIS AMENDMENT	NO. 2 TO	LOCAL STREET ACCESS AGREEMENT, made		
and entered into this	day of	, 2009, by and between the City of		
Moorpark, a municipal corporation located in the County of Ventura, State of California,				
hereinafter referred to as "City" and Waste Management of California, DBA the Simi Valley				
Landfill and Recycling Center hereinafter referred to as "WM", as an amendment to the				
Local Street Access Agreement between the City and WM dated April 1, 1998.				

WITNESSETH

Whereas, on April 1, 1998, the City and WM entered into a one (1) year Agreement for Local Street Access; and

Whereas, on March 3, 1999, the City and WM entered into Agreement No. 1 to the Local Access Agreement for an additional five (5) year period extending the Agreement until June 30, 2009; and

Whereas, the City and WM mutually agree, with Amendment No. 2, to further extend the term of the Local Street Access Agreement to June 30, 2014.

NOW, THEREFORE, in consideration of the mutual convents, benefits, and premises herein stated, the parties hereto agree to amend the aforesaid Agreement as follows:

I. Term

Section 3 of the Agreement, attached hereto as Attachment "A", has been amended to extend the term of the Agreement five (5) years to June 30, 2014.

II. Obligations of Waste Management

Section 4.B of the Original Agreement, attached hereto as Attachment "C", has been amended to change the calculation formula for determining the annual Local Streets Access Fee. Section 4.B shall be replaced in its entirety with the following language.

B. Monthly Compensation. In consideration of the increased use sustained by local streets in the CITY by vehicles accessing the LANDFILL pursuant to this AGREEMENT, WASTE MANAGEMENT hereby agrees to compensate the CITY a Local Streets Access Fee to be calculated as follows:

Beginning January 1, 2010, the base rate of \$2.50 per ton will be used to

City of Moorpark Local Street Access Agreement Amendment 2, Page 2 of 2

calculate the Calendar Year Local Streets Access Fee. To this base rate will be added, the annual CPI adjustment (All Urban Consumers, Los Angeles County, less shelter) percentage increase from September to September calculated at 86%. If the calculated CPI increase is over 3% the new fee calculation shall not exceed 3% annually. In the event that the September to September calculated CPI decreases, the Local Street Access Fee shall remain at the current rate until such time as the next annual indexing results in a CPI increase. This new calculated 2010 rate would then be used in January 2011 to calculate the calendar year rate for 2011 and so on.

Example: Calculation of calendar year 2009 rate using the new factors. Waste Management would use the base rate of \$2.50 per ton and add 3% (annual CPI for 2007 was 195.898 and annual CPI for 2008 was 206.596 which calculates to an adjusted 4.7% increase, but would be capped at 3%) which would have put the fee at \$2.58 per ton. In subsequent years, if the annual CPI were to decrease the previous calculated fee would remain in place until the next annual adjustment period with a CPI increase.

III. Other Provisions

Except as revised by this Amendment No. 2, all other provisions of the Agreement (Attachment "C") shall remain in full force and effect.

In WITNESS WHEREOF, the parties hereto have caused this Amendment No. 2 to be executed by their duly authorized officers the day and year first above written.
